**All New Torus™ LED Technology  
Now in a Code 3 2100 Lightbar!**

**TORUS**<sup>™</sup>  
LED TECHNOLOGY

21TR  
(21TR47A2)

21TR Plus  
(21TRPL47A4)

## How You Benefit from this New Technology:

- ▶ **Standard 21TR** delivers all the qualities the 2100 has been known for with new Torus LED technology corner and directional lighthead that provide far superior directional and off-angle performance. Economical, yet advanced, this lightbar offers standard features providing the brightest basic lightbar on the market.
- ▶ **21TR Plus** is a full featured, economical lightbar with new Torus LED technology. Central controller features and options are the same as the Defender<sup>®</sup> and RX 2700<sup>™</sup>CC. Features include the NarrowStik<sup>™</sup>, flashing take-downs and alleys, and corner cruise lights.

## 21TR Features
